

My name is Ross Pendergraft, President of the East Valley Police Activity League Supporters (PALS). I have been a proud board member for the last twelve years. Our all-volunteer Board of Directors dedicates itself to supporting the Cadets, Jeopardy Kids, and the men and women working the streets of the LAPD North Hollywood Division.

The 58th Annual PALS Community Appreciation Luncheon is a special occasion dedicated to celebrating and honoring the professionalism, exceptional service, and unwavering dedication of the men and women of the LAPD North Hollywood Division.

It is also our privilege to recognize and express our sincere appreciation to the outstanding community supporters whose commitment, partnership, and generosity help make our community stronger.

Together, we celebrate those who serve, those who support, and the powerful partnership between law enforcement and the community.

We invite you to join us and encourage you to bring family members, coworkers, and friends to this special event. If you are unable to make it, please consider “adopting a cop” through one of the sponsorship packages.

The awards luncheon will be held at the **Romanov Events Venue (12229 Ventura Blvd.) in Studio City, CA 91604**, starting promptly at 11:30 am.

Your reservation form may be downloaded at <https://www.nohopals.com/events> or you may complete and mail in the attached registration form to purchase luncheon attendance, sponsorship packages, and program advertisements!

On behalf of the PALS Board of Directors, the LAPD North Hollywood leadership, officers, and civilian employees, we thank you for your generous support.

Best Regards,

Ross Pendergraft, President
East Valley PALS, LAPD North Hollywood Division
