

ABOUT US

The East Valley Police Activity League Supporters (PALS) has been working with the North Hollywood Division of the LAPD for more than forty years. PALS is an all-volunteer 501c3 Non-Profit Organization that raises funds and provides financial support for the men and women of the LAPD. It often comes as a surprise to the average Angelino how difficult it is for the city to pay for some essential equipment, training and special events for the LAPD. PALS attempts to bridge that gap.

The LAPD Cadet and Jeopardy Youth Programs work with young people to promote trust and understanding between the young people and the police. Both programs focus on character development, personal accountability and a strong commitment to good citizenship.

PALS Members have the opportunity to get to know the LAPD leadership, to meet with other concerned community members and to promote their business as partners in public safety. **All of this built on the tenets of Community Based Policing.**

WHAT HAPPENS

When you donate to PALS, the connection between the youth and the LAPD Officers in our division grows stronger through the Cadet and Jeopardy Youth Programs. Officers have access to enhanced training, better equipping them for complex and complicated situations. The station receives essential supplies and equipment not funded by the City of Los Angeles.

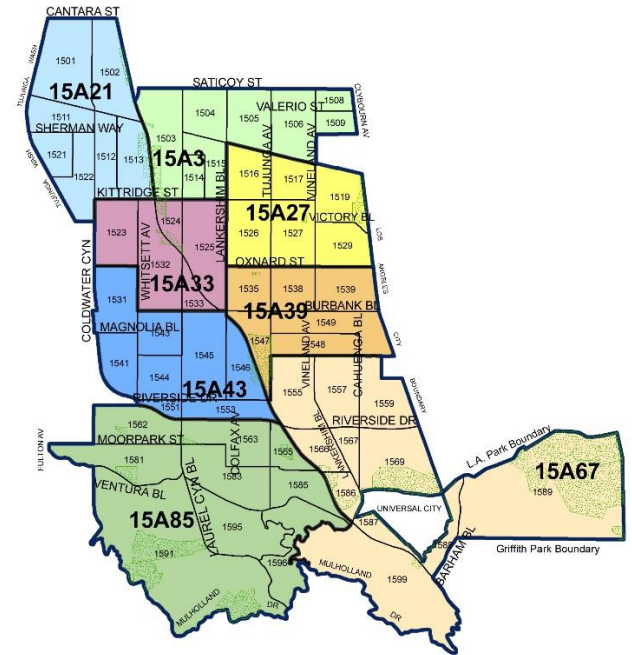

At public quarterly meetings, held at various locations within the division, Officers of the Quarter are recognized, and we feature guest speakers who are experts on public safety topics.

PALS is also able to host our Community Partnership Luncheon, our annual Golf Tournament and other events throughout the year that honors and recognizes our Officers for their dedicated challenging work.
